

The World's *First and Only* . . . High-Energy CoQ-10

Outperforms
all other
CoQ-10

CoQ-Quinol

*Super Energy, Fully Reduced, Living Source CoQ-10
Maximum Immune, Heart, Nerve, Brain and Anti-Aging Support**

CoQ-Quinol

Key Benefits

- The world's *one and only* source of fully reduced (*unoxidized*) CoQ-10, known as ubiquinol, immediately available for maximum cell energy boosting*
- Derived from living, natural sources (*not synthetic, oxidized CoQ-10; no animal source gencaps nor their synthetic preservatives*)
- No amount of ordinary CoQ-10 can compare to the benefits of living-source CoQ-Quinol

**Delivering the Latest Discoveries
in Super Nutrition for the Whole Family**

A Revolutionary Breakthrough: Stabilized, High Energy CoQ-10

No amount of ordinary CoQ-10 (which is oxidized ubiquinone) can equal the effects of even one dose of CoQ-Quinol, which is fully reduced ubiquinol (55 mg per 1/4 tsp), stabilized CoQ-10 - *never before available*.

CoQ-Quinol has been produced by our revolutionary **patent pending nanization process** that brings normally unstable super nutrients to a stable, yet super biologically available form via a proprietary, probiotic fermentation process (i.e. nanization).

What can CoQ-Quinol do that ordinary CoQ-10 *cannot*?

CoQ-Quinol can significantly help recover cells that are in a low-energy tailspin and prevent certain cell death even when their energy level has dropped below their ability to break the downward spiral using oxidized CoQ-10 (ubiquinone). This means that CoQ-Quinol can be a major player (where CoQ-10 could not help) to overcome low cell energy often seen in runaway neurotransmitter hyperactivity and unchecked free

radical production so often the case in many chronic health concerns. CoQ-Quinol can also accelerate cellular detoxification of heavy metals and other toxic chemicals.

Superior Benefits

If you have read about or received beneficial results using ordinary CoQ-10, then you'll love receiving the superior benefits of CoQ-Quinol *even more*. CoQ-Quinol can provide immediate results (*often felt in seconds!*) as well as substantial, long-term benefits for the immune system, heart and circulation, healthy blood pressure, nervous system, brain function, anti-aging and spectacular energy and detoxification boosting.*

How is CoQ-Quinol made?

CoQ-Quinol is made using a unique, proprietary, patent-pending nanization process whereby selected nutrients undergo a specialized probiotic fermentation yielding a reliable source of stabilized, high-energy ubiquinol as well as a spectacular array of highly bioavailable phytonutrients and probiotic complexes -- no fractionated, synthetic, artificial or pesticided ingredients.

What are the key benefits of CoQ-Quinol over ordinary sources of CoQ-10?

- Clinically Tested. Clinically tested to determine the optimal concentration of active ingredients for maximum organ/gland benefit (*does not cause kidney or intestinal meridian toxicity or overload*)*
- Broad Clinical Support. Supports a broad-spectrum of the body's organ/gland systems: heart, circulation, brain, kidney, nervous system and immune systems as well as significant intracellular support*

- Brain/Attention Support. Excellent nutritional support for those with chronic brain concerns, including the elderly; also provides significant help for children with learning or focus/concentration concerns*
- Blood Pressure Support: provides exceptional support for healthy heart function and blood pressure, even in serious cases*
- Well Tolerated: No reported side effects using CoQ-Quinol as a key organ/gland support supplement during detox or cleansing programs; may be used daily.
- Safety and Efficacy. Safe for the whole family - may be used by infants, children, adults, the elderly, including those with chronic health or mental concerns
- 100% Toxic-Free. No animal gelatin capsules, synthetic preservatives, emulsifiers. Free of magnesium stearate and other toxic binders and fillers; 100% natural ingredients
- Immediate Effects. Many individuals report a noticeable, immediate beneficial effect after taking this product, ranging from a significant energy boost, better sense of well-being, clearer mental outlook, and greater ability to focus and concentrate*

The Age of Super Nutrients

Step into the age of high energy, living-source **Super Nutrients** -- based on the research and discoveries of applied quantum physics in revealing the underlying nature of the quantum domain of life, specifically, the human biofield and its preferred requirement for high-energy, living-source nutrients that deliver the fastest recovery of ideal cell resonance for better health and unmatched long term benefits.

CoQ-Quinol: Ingredients

2 fl oz/bottle (59 ml)

Proprietary, Premier Quality, "Beyond Organic" Blend of the following:

Nanized CoQ-10: The *World's First* and the only Stabilized, Fully Reduced, Living Source, High-Energy (*Unoxidized*) Ubiquinol (55mg per 1/4 tsp. serving) with Grade 10 Indian Turmeric (rhizome) (*Curcuma l.*)

Nano-Flora Complex: Nanized, live-source enzymes, complex cell wall lysates, and ferments from 12 strains of beneficial bacteria: Bifidobacterium Species (breve ss. breve, infantis ss. infantis, longum), Enterococcus Species (faecalis TH10, faecium), Lactobacillus Species (acidophilus, bulgaricus, casei ss. casei, fermentum, helveticus. ss. jagurti, plantarum), Streptococcus thermopolis, providing naturally occurring vitamins (10 types), including B complex, minerals (8 types), amino acids (18 types), superoxide dismutase, lipoic acid, organic acids (includes acetic, formic acids), cell wall lipopolysaccharide-glycopeptide complexes

Natural Preservative: Certified organic grain neutral spirits 20% as a natural preservative (*pesticide and toxin-free*)

Other Ingredients: None (*No toxic fillers, binders, sweeteners, etc.*)

Recommended Use

Adults or children (age 4 up): Mix 1/4 tsp. in 1/4 cup water or juice, 1 to 2 times daily. Sip slowly for best effect. For special needs, take 1 tsp. 3 times daily.
